Re: School Re-opening, 1st Semester 2021/2022

Bugema University Administration would like to inform all students, parents and sponsors that the school is set to reopen on November 1, 2021, following the government pronouncement on reopening of post-secondary institutions. All students are expected to report on campus before 3rd November 2021 ready for continuation of blended (face-to-face and online) classes. All students are expected to strongly observe all COVID 19 SOPs while on campus, and should consider the following:

- ✓ Carry enough supply of face masks
- ✓ Have pocket/small bottle of alcohol-based hand sanitizer
- ✓ Hanging school IDs for easy identification
- ✓ Compulsory checking of temperature at the gates
- ✓ All students are encouraged to vaccinate before coming to school

The adjusted calendar for the remaining activities for the current semester is hereunder attached.

We wish you God's blessings and protection as you plan your journey back to school.
